### Chamber to Launch New Annual Survey to Improve Member Services

As part of its continuing effort to be responsive to the needs of the business community, the Chamber is embarking on a new annual survey, sent in cooperation with the California Chamber of Commerce, to seek member input and hear directly from business leaders, owners, and managers. This short 10-minute online survey will ask members about the pressing needs to be addressed and the vital services that the Chamber can offer to assist local businesses. This information will be vitally important as the Chamber strategically plans for the upcoming year. **Please watch your email for a survey invitation from the California Chamber of Commerce.** For more information, contact Nicholas Adcock.
