

W.A.C.E. Annual Awards Program

Award Descriptions, Elements, and Criteria

W.A.C.E. Awards & Recognition Handbook

The Western Association of Chamber Executives (W.A.C.E.) is proud to honor excellence in chamber leadership, staff professionalism, and communications. These awards recognize outstanding achievements, innovative practices, and individuals who embody the values of being a **Catalyst, Convener, and Champion** for their members and communities.

Beyond recognizing annual examples of excellence in the various categories, W.A.C.E. believes that the process of submitting a Chamber's work for evaluation and feedback is a value in and of itself. To that end, we are committed to ensuring qualified, thoughtful judging of our awards, and to providing feedback to all entrants.
